

## STATEMENT OF PURPOSE

RS28336 / H0173

This legislation provides for the transfer of the mission, oversight and operations of the Idaho Office of School Safety and Security from the Division of Building Safety to the Office of the Idaho State Board of Education. This transfer is necessary as a result of the reorganization of the Division of Building Safety pursuant to Executive Order 2020-10. This Executive Order did not move the Office of School Safety and Security into the newly created Division of Occupational and Professional Licences.

## FISCAL NOTE

The transfer will have no impact on the General Fund. The Office of School Safety and Security transfer is an overall net-zero budget transfer from the Division of Building Safety budget to the Office of the State Board of Education budget.
